Swachhta Uday

2020

Directorate General of Human Resource Development (DGHRD)
Central Board of Indirect Taxes & Customs
For me the road to salvation lies through incessant toil in the service of my country and the entire humanity. I want to identify myself with everything that lives.
संदेश

‘स्वच्छ भारत अभियान’स्वच्छता के प्रति राष्ट्रीय प्रतिबद्धता को अभियक्त करने वाला राष्ट्रीय जन आंदोलन है।

मेरे लिए यह अत्यंत प्रसन्नता का विषय है कि केंद्रीय अप्रत्यक्ष कर एवं सीमा शुल्क बोर्ड (सी.बी.आई.सी.) इस आंदोलन का एक सक्रिय भागीदार है और पूरी तपासता व ईमानदارी के साथ ‘स्वच्छता कार्य योजना’के सफल कार्यन्वयन में अनवरत प्रयासरत है। मिलने तीन वर्षों में सी.बी.आई.सी. ने समय राजनीति पर अपनी सभी इकल. इसे स्वच्छता के लिए विशेष अभियान चलाये जाने का आयोज किया है। राष्ट्रपिता महात्मा गांधी जी ने स्वच्छ भारत की परिकल्पना की थी और हमारे प्रधानमंत्री श्री नरेंद्र मोदी जी ने इसे पुनर्जीवित करते हुए “स्वच्छ भारत” से “श्रेष्ठ भारत” के अनुलग्न आंदोलन का पूर्वपुत्र किया है। इस मिशन को पूरा करने में योगदान दिए जाने की दिशा में सी.बी.आई.सी. के विभिन्न विभागों ने निराशाजनक परियोजनाओं जैसे मुख्य कंप्यूटर सेंटर, सी.वी.ए.टी.सी.एन.प्लांट, कार्यालय में स्वच्छ भारत विभाग, वर्षा जल संचयन, उच्चश्रेणी संचर, ई.ई. अपरिष्कृत प्रबंधन, भागीय संघ, भारत विभागों के डिजिटल संचर, स्वच्छता के लिए गलियाँ बनाने वाले आदि को गहरी जीवन वृत्ति का अवधारण तो यह दर्शा देता है कि स्वच्छ भारत के स्वयं संचार करने में कच्चे से कच्चे गिलास कर योगदान दिया जा सके।

मैं, अपने अभिकारियों के व्यक्तिगत विचारों और उनके द्वारा की गई इन पहलों की सराहना करता हूं। “स्वच्छता कार्य योजना” की निगरानी और “स्वच्छता उदय” प्रतिक्रिया के रूप में अधिकारियों द्वारा जे और अग्रसर करने का एक गंभीर साधन जाने के लिए जी.ज्यू.ए.वी. (मानव संसाधन विकास महानिदेशालय) कार्यालय प्रशासन का पात्र है। इसके विषय में हमारे अधिकारी स्वच्छता कार्य योजना के सफल कार्यन्वयन के लिए सर्वदेश प्रतिबद्ध रहेंगे व स्वच्छ भारत के कार्य का प्रात करने की दिशा में भी सर्वदेश तत्पर रहेंगे।

इन पक्षियों के साथ आप सब को शुभकामनाएं कि………

“स्वच्छ देश, स्वस्थ काया,
यह अभियान नया संदेश लेकर आया”

अम. अनिता कुमार
अध्यक्ष
केंद्रीय अप्रत्यक्ष कर एवं सीमा शुल्क बोर्ड
स्वच्छता मिशन एक राष्ट्रयापी अभियान के रूप में शुरू हुआ और सभी के बीच स्वच्छता क्रांति की एक लहर लाया। केंद्रीय आयुक्त कर और सीमा शुल्क बोर्ड ने स्वच्छ भारत के स्वन को पूरा करने के लिए उत्तराखंडी स्वच्छता परियोजनाएं कायमिता की तथा वर्ष 2017 से 2020 तक 895 परियोजनाएं सफलतापूर्वक लागू की।

विभिन्न आयुक्तालयों तथा महानिदेशालयों ने अपने अभियान कार्यों और स्वच्छ परियोजनाओं के माध्यम से स्वच्छ भारत के लक्ष्य को प्राप्त करने की दिशा में अपना योगदान दिया।

मैं भारत को स्वच्छ बनाने की दिशा में विभाग के सभी अधिकारियों और कर्मचारियों के प्रयासों की सहायता करती हूं। केंद्रीय इकाइयों की स्वच्छता गतिविधियों के समन्वय में मानव संसाधन विकास महानिदेशालय की अत्यंत महत्वपूर्ण भूमिका रही है। इस लघु पुरस्कार के द्वारा निदेशालय ने कुछ इकाइयों द्वारा बढ़ाई जा रही उल्लेखनीय परियोजनाओं को एक मंच दिया है पिछले अन्य इकाइयों को नागरिक रूप से अन्य अन्य समाज में सामने लाने में सहायता प्रदान करता है। इस प्रकार प्रकाशन विभाग के इस सराहनीय कार्य में किये जा रहे प्रयासों की समापनित रूप से सामने लाने में सहायता होगी।

संगीता शर्मा
सदस्य (प्रशासन)
केंद्रीय आयुक्त कर एवं सीमा शुल्क बोर्ड
मुझे यह बताते हुए अत्यंत हर्ष हो रहा है कि "स्वच्छता उदय" प्रतिका का दूसरा संस्करण प्रकाशित हो रहा है। सी.बी.आई.सी. के सभी जोनों व निदेशालयों द्वारा शुरू की गई स्वच्छता परियोजनाओं और गतिविधियों का इस संस्करण में संक्षिप्त परिचय प्रस्तुत किया गया है।

हमारे यशस्वी माननीय प्रधानमंत्री श्री नरेंद्र मोदी जी ने 'बापू' के "स्वच्छ भारत" के स्वागत को साकार करने के उद्देश्य से इस अप्रतिम विचार में नई ऊर्जा का संचार किया है और देश में स्वच्छता क्रांति लाने के लिए स्वच्छ भारत के महा मिशन का शुभारंभ किया है। सी.बी.आई.सी. के कार्यालय इस आंदोलन को सफल बनाने के प्रति पूर्ण रूप से प्रतिवेदन है। मुझे यह बताते हुए भी हार्दिक प्रसन्नता हो रही है कि डी.जी.एच.आर.डी. कार्यालय में सी.बी.आई.सी. के तहत सभी इकाइयों की स्वच्छता गतिविधियों और परियोजनाओं पर समग्र रूप से निगरानी रखने जाने का महत्वपूर्ण कार्य सौंपा गया है, इस कर्तव्य का अथक परिश्रम और ईमानदारी के साथ निर्धारण कर रहा है। मैं आपको यह विश्वास दिलाती हूँ कि मान्यता में भी यह कार्यालय पूरे जल्दी और दृढ़ संकल्प के साथ इस महत्वपूर्ण कार्य को सफल बनाए जाने के लिए प्रतिबद्ध है।

मुझे यह भी दुःख विश्वास है कि अव्यक्ति सी.बी.आई.सी. के गार्डर्स व प्रेयर से सी.बी.आई.सी. की सभी इकाइयाँ स्वच्छ भारत, श्रेष्ठ भारत और स्वस्थ भारत के लक्ष्य को प्राप्त किए जाने में अपना सत्ता योगदान प्रदान करती रहेंगी। आइए ! हम सब संकल्प में हम स्वच्छता को अपनी दैनिक आदतों में सममित करेंगे। मुझे पूर्ण विश्वास है कि सी.बी.आई.सी. की सभी इकाइयाँ सामूहिक, सार्थक एवं अथक प्रयासों से 'स्वच्छ भारत अभियान' के प्रचार एवं प्रसार को नया आयाम देंगी।

सफाई है तेरी इबादत, परिश्रम है तेरा कर्म, ईश्वर की अनुगम रचना है तुम मानव! स्वच्छता ही है तेरा धर्म।

नीता लाल बुटालिया
महानिदेशक
मानव संसाधन विकास महानिदेशालय
“जो है उससे बेहतर चाहिए
पूरी दुनिया को साफ करने के लिए बेहतर चाहिए”

हिंदी के प्रसिद्ध कवि ‘मुक्तिबोध’ की ये पंक्तियाँ सदैव प्रेरित करती हैं। एक ‘बेहतर’ कल के लिए हममें से हर एक को ‘मेहतर’ की जिम्मेदारी उत्पन्न ही होनी। वे दिन और थे जब हम अपनी सफाई का जिम्मा किसी और को साँप कर अपनी जिम्मेदारी से मुक्त हो जाते थे। अब यह साफ हो गया है कि इस ‘बेहतरी’ के लिए हमें अपने अंदर झूंठने की आवश्यकता है। कहना न होगा कि इस आवश्यकता ने हमारे अंदर की आग को पिंडा किया है एवं महानागरीय गांधी के आदर्शों का अनुसरण करते हुए हम सभी इस महान राष्ट्रीय अभियान का हिस्सा बने हैं। प्रधानमंत्री श्री नरेन्द्र मोदी जी ने अपने व्यवहार एवं कार्यों द्वारा इस अभियान को एक नया आयाम दिया है। सरकार के निर्देशों के अनुसार अप्रत्यक्ष कर एवं सीमा शुल्क विभाग के अधिकारी एवं कर्मचारीगण सातत रूप से इस अभियान का हिस्सा बने हैं। यह छोटी सी पुरातनक वर्ष 2019-20 के दौरान हमारे विभाग के द्वारा ‘स्वच्छताके लिए उत्तरये गए कदमों की आंकी प्रस्तुत करती है। पुरातनक का उद्देश्य इस अभियान में लगे अधिकारियों एवं कर्मचारियों के प्रयत्न को उजागर करना तो है ही, साथ में अन्य अधिकारियों एवं कर्मचारियों के सामने उदाहरण प्रस्तुत करना भी है जिससे हमारे प्रयास और बेहतर हो सके। मानव संसाधन महानिदेशालय इस पूरे अभियान में एक दिशा निर्देशक भर है क्योंकि यह हमारी सामूहिक जिम्मेदारी है एवं यह हम सबकी दिली इच्छा बने ऐसी कामना है। इस अभियान की बेहतरी की कामना किसी गोरखपुरी के इस कलाम से करते हुए—

दिल का इक काम जो बरसों से पड़ा रखा है
तुम जरा हाथ लगा दो तो हुआ रखा है

The Dawn of Swachhta in CBIC

Swachhta Pakhwada

Swachhta Projects of CBIC-An Overview

Swachhta Hi Sewa

Swachhta Awards-CBIC (2018-19)

Swachhta Awards-CBIC (2019-20)

Swachhta Activities in DGHRD

Way Forward
Swachhta is indeed everyone’s business! Swachh Bharat is not just another campaign, it’s a mission, a mission that has inspired several organisations, ministries, departments and people from all walks of life to do their bit for hygiene, sanitation and cleanliness.

In a bit to contribute its share, the Central Board of Indirect Taxes and Customs, has been earmarking 10% of its budget from the head O.E., exclusively for “Swachhta activities” since the year 2017. A new budgetary head, namely, O.E. (Swachhta) has been created and all formations across CBIC are being allocated funds under this head.

For proper utilization of this fund, a scheme of implementing two Swachhta Projects per formations, was launched by CBIC and all formations under the jurisdiction of Principal Chief Commissioners/ Chief Commissioners and Principal Commissioners/ Commissioners, were advised to implement two Swachhta Projects. This direction turned into a mass mission and till date, the CBIC formations have successfully implemented 895 Swachhta Projects.

In order to encourage and appreciate the field formations, Swachhta Awards-CBIC were institutionalised in the year 2017 and till date three annual series of these awards have been declared by CBIC, for the year 2017-18, 2018-19 and 2019-20, awarding best GST Zone, best Customs Zone, best Directorate and best Commissionerates. This has further encouraged the field formations and the background work for Swachhta Awards-CBIC for the year 2020-21, is going on, enthusiastically.

Swachhta Uday Book (First Edition)
Inaugurated by then MoS Sh. Shiv Pratap Shukla
In the year 2017, as per the directions of Chairman, CBIC, all formations under CBIC, were advised to undertake two Swachhta Projects and the expenditure to be incurred on these projects was decided to be met from O.E. (Swachhta) head.

Enthusiastic response was received from all formations and the formations have successfully completed 895 Swachhta Projects in the past 3 years, from the year 2017 till now.

895 Swachhta Projects were implemented by CBIC formations

- Weeding out and digitisation of records
- Cleaning activities at Custom colony and school premises

Chennai CGST Zone
- E-waste disposal of unusable electronic items
- Tree plantation near lake

Delhi CGST Zone
- Installation of 2 mobile toilets and distribution of Swachhta kits to school and slum children
- Swachhta workshops and anti-plastic drive

Guwahati CGST Zone
- Cleaning of office premises & anti-polythene drive
- Press Release for Swachhta awareness

Hyderabad CGST Zone
- Green plants grown in the waste disposalable plastic bottles and prepared vertical green garden with waste plastic bottles. Foundation stone laying ceremony on Kitchen Waste based Biogas project and Bhoomi Pooja was also conducted.
- Workshops on cleanliness and waste management. Anti-polythene drive.

Jaipur CGST Zone
- Implementation of E-Office, distributed sports items to the students
- Cleanliness drive in office premises, departmental accommodation colony and adopted school.
**Kolkata CGST Zone**
- Digitisation of records, Disposals of e-waste. Plantation of medicinal & spices plants.

**Lucknow CGST Zone**
- Cleanliness drive, Swachhta pledge and Nukkad Nataks were performed

**Meerut CGST Zone**
- Adopted Orphanage, Swachhta Pledge, Cleanliness Drive with banners, Divyang access in toilets
- Arranged online workshop with a NGO on cleanliness and waste management

**Mumbai CGST Zone**
- Cleanliness drive in the office premises. Plantation drive.

**Nagpur CGST Zone**
- Swachhta Pledge, shramdaan activities

**Panchkula CGST Zone**
- Swachhta abhiyan in govt school. Anti-polythene drive
Ranchi CGST Zone

- Weeding out and digitisation of records, best performer in implementation of E-office
- Anti-dengue treatment at the Central Revenue Colony & release of hindi magazine पाटलपुरत्र

Pune CGST Zone

- Implementation of E-office and divyang access to toilets
- Workshop and interactive sessions on cleanliness

Thiruvananthapuram Zone

- Setting up of new vegetable Garden at Custom House. Disposal of E-waste

Bengaluru Customs Zone

- Utility items supplied to the School

Vadodara CGST Zone

- Jal sanchay and E-waste/pet bottle project.
- Cleanliness drive, distribution of Swachhta kit to casual housekeeping labour.

Visakhapatnam CGST Zone

- Implementation of E-office
- Disposal of E-waste, Anti-polythene drive.
**Delhi Customs Zone**
- Weeding out old records/digitisation of records, implementation of E-office

**Kolkata Customs Zone**
- Special drive for disposal of the goods and old records, special initiative to clean the school premises & the adjacent road of the school, the toilets was renovated & repaired, a special drive to clear the canteen premises, waste bins were distributed to all the canteens
- Disposal by way of destruction of seized medicine

**Mumbai-I Customs Zone**
- A Padyatra was held for creating awareness among the general public, Jute bags and pamphlets were distributed to the common people
- Workshop on hygiene, cleanliness and waste management

**Mumbai-II Customs Zone**
- Installation of Wet and dry waste management plant and fountain in JNCH, redevelopment of separate toilets for boys & girls in a Zillaparishad school, Jaskhar village & a chipper shredder was provided to Custom colony
- Disposal of E-waste, digitisation of records

**Chennai Customs Zone**
- Swachhta Pledge, Swachhta workshop on "Hygiene at Kitchen & Workplace, Sensitising people of a locality about cleanliness at Higher Secondary & Primary School premises, Voluntary work - cleaning of Municipal Primary School, Cycle rally, weeding out old records.
- Cleaning and sanitisation in Govt. School.
- Saplings planted around the lake. "Horticulture Landscaping" at New Custom House.
Patna Customs (Prev) Zone
- Swachhta Workshop in the SAV School, the officers visited Little Flower Lepro Welfare Association for cleanliness drive.
- Display of short film related to Swachh Bharat Abhiyan. Distribution of Swachhta kits in slum areas.

Trichy Customs (Prev) Zone
- Weeding out old records & implementation of E-Office, Reviewing Divyang Access in toilets, Cotton/Jute bags were distributed.

CESTAT
- Encouraged car free/ car pool day to use public transport. Segregation and weeding out old records

CBN
- Cleanliness Drive in office premises. Swachhta Pledge was taken. Slogan writing competitions were organized. Weeding out old records
- Disposal of E-waste, anti-polythene drive

DGPM
- Cleanliness & waste management workshop was organised. Weeding out old records, digitisation of records. Swachhta activity plan circulated on social media.
- Digitisation, segregation, weeding out and disposal of E-waste.

Mumbai-III Customs Zone
- Digitisation of records. Award distribution for Implementation of E-office, a Divyang access toilet was installed in Alibagh division
- Cleanliness and Anti-Polythene drive

DGGI
- Digital cleanliness drive in all sections, weeding out old records
- Cleanliness drive, Awareness of Coronavirus created among general public.

DGARM
- Distribution of jute bags, Cleanliness drive in departmental residential colony, digitisation of records.

DG Vigilance
- Nukkad Natak, Distribution of jute bags and Swachhta kits, awareness campaign at one Anganbadi & one slum area. A sensitising lecture was given by the executives of M/s Sanshodhan (in association with State Govt. of Telangana for E-waste exchange) to support implementation of E-waste management rules, 2016 for e-waste disposal.
- Sensitisation of skilled/unskilled staff regarding importance of Swachhata.

DGEP
- Donated aquaguard to SDMC Primary school, J J Colony, Raghbir Nagar. Competition was conducted in the school and prizes distributed to the students.
- Swachhta Pledge.

Directorate of Legal Affairs
- Plantation drive

DG Systems & Data Management
- Weeding out old records, Clean Office Award for the cleanest room
- Installation of mist fan filled with sanitizers
DG Anti Profiteering
- Cleaning of Bus Stop outside the office, Distribution of Jute bags among staff
- Workshop on cleanliness and waste management

Directorate of Logistics
- Workshop on waste management

DG Audit
- Cleaning of office premises

DGHIRD
- Distribution of sanitation kits in jute bags among office staff, cleaning staff, security staff, drivers & contingent staff.

DG Valuation
- Cleanliness and anti-polythene drive

Directorate of International Customs
- Training on “cleanliness” imparted
DGTS

- Plantation drive. Sensitisation against the Single Use Plastic

DGGST

- Shramdaan activities, Sensitisation to practice cleanliness and hygiene

NACIN

- Installation of air purifying plants. Issuance of bottles to the staff for use within office, anti polythene drive. Digitisation of records.
- Workshop on kitchen and garden waste management. Installation of Sanitary pad vending machine and incinerator machine at National Skill Training Institute for Women. Utilisation of waste water from RO Plant.

Settlement Commission

- Segregation of records, weeding out unused files, Swachhata activity plan circulated on social media. Cleanliness and waste management workshop was organised.
In order to encourage the field formations, annual “Swachhta Awards-CBIC” were instituted in the year 2017 and till date, three series of these annual awards have been declared by Chairman, CBIC, for the year 2017-18, 2018-19 and 2019-20.

For the year 2018-19, best GST zone, best Customs zone, best Directorate and best Commissionerates were declared as follows-
Project 1: Jal Sanchay

The projects aims to address the problem of water scarcity, depleting ground water levels and ill managed aqueous resources around ourselves in the most efficient and most economical way. A RO water filter wastes about 3 litre of water into the drain for the output of 1 litre of drinking water. Similarly, the air-conditioners also drain out waste water. The project is all about using this waste water, in the manner, as follows-

(i) Waste water of RO filter is being stored in overhead tanks & used for cleaning & washing purposes.

(ii) At places where water tank cannot be installed, water is being channelized into Rain water Harvesting Wells through Jal Sanchay Drums for ground water replenishment.

(iii) Condensed water from Air Conditioners, which has less TDS compared to RO waste water is being collected and channelised into Rainwater Harvesting Wells through Jal Sanchay Drums along with RO Waste Water for ground water replenishment.

(iv) In Cafeteria and the Guest House of GST Bhavan, all the Kitchen utensils are now being washed and cleaned by using this waste water, thus saving huge amount of water every day.
Project 2: E-waste and PET Bottle collection & recycling with eradicating usages of polythene bags

CGST Vadodara-II took up the initiative for recycling of PET Plastic bottles and E-Waste along with reducing polythene bags, ultimately reducing India’s Carbon Footprints. A PET Bottle and e-waste collection-disposal centre has been setup in GST Bhavan, Subhanpura where PET bottle and electronic waste is deposited by staff members as well as public from outside office also.

The electronic waste deposited is submitted to an authorised e-waste agency and for PET bottle, a PET Bottle shredder machine is procured from where the shredded product is submitted to a scrap dealer for further industrial use. The income generated from the disposal is used in returning a complimentary gift in the form of an Eco-Friendly Bag to the depositor which finally reduces the dependency and usage of polythene bags.
Project 1: Renovation of toilets in orphanage

Renovation and repairing of toilets blocks and drainage systems at the orphanage was carried out by Kolkata Customs Zone. Concrete walls and toilet aluminium doors were arranged and the renovation work was carried out collectively.

Further, activities taken up included Installation of tubelights with necessary electrical wirings with the provision of switch/socket etc. and installation of exhaust fans in each of three toilets with wiring and having switch board with switch and sockets etc.
Project 2: Renovation Works

Construction/Renovation of 06 urinal stands and 04 toilets including plumbing and electrical equipment supply and installation at the Sarada Prasad Institution, Bidhan Nagar Road.
Sh. Ashok Kumar Pandey, Pr. DG, DGGI, receiving “Swachhta Trophy” from Sh. John Joseph, Member, CBIC

CBIC Swachhta Awards 2018-19

Best Directorate: Directorate of GST Intelligence (DGGI)

Project 1: Adoption of MCD/SDMC primary schools, New Delhi

An entire new toilet block was constructed by the Hqrs. Office of the DGGI in MCD Primary School, Sultan Puri, New Delhi. The children of the slum area come to this school and this toilet is constructed to provide neat and clean amenities to the children of poor and lower classes of the locality.

The SDMC primary school, C R Park, New Delhi had no park for small children and they had to play on the rocky land during their breaks. Directorate constructed the children park for the children to play and to develop a green belt to curb pollution as well as to give a green look to the school.

Water cooler and RO systems were installed in the SDMC primary school, C R Park, New Delhi to meet out the need of drinking water for the children.

A drawing competition was organised and the best three drawings were awarded trophies. Plantation was done by the officers and senior officers addressed the children explaining them the importance of cleanliness & hygiene.
Project 2: Vertical gardening of the boundary wall of office premises by Lucknow Zonal Office

The Zonal office of DGCI has constructed a vertical garden in the boundary wall of office premises. The main aim of the project is to clean air and to create good working environment in the office premises. Vertical gardens improve both indoor and outdoor air quality by removing harmful volatile organic compounds and absorbing pollutants. It also resulted in beautification of the office premises.
Dr. D. Purushotham, Pr. Commissioner Hyderabad GST Commissionerate, receiving “Swachhta Trophy” from Sh. Raj Kumar Barthwal, Member, CBIC

Project 1: “Trash to Treasure”
An eco-friendly sewage water treatment plant of capacity 10 kilo litres per day was established with the state of art technology by the Hyderabad GST Commissionerate. The treated water is used for watering the plants, green belt and for recharging the rainwater harvesting pit developed under Swachhta action plan.
Project 2: Solar Power-renewable source of energy

Installation of grid connected Solar rooftop power plant in Hyderabad GST Bhavan. As a part of National Solar Mission and in line with the directions given by the cabinet secretariat, a 40 kW Grid connected rooftop solar PV Power Plant has been installed on the terrace of GST Bhavan. The capacity of each solar panel is 325 watts per day. The project was taken up under CAPEX system of SECI Model. As a result of execution of project, a significant savings in expenditure on electricity bills has been observed and almost 38,778 electricity units costing Rs. 459,542/-were saved.
Project 1: Installation of two organic composter machines

Out of two Organic Composters installed by Amritsar Customs Preventive Commissionerate, one was installed at CR Building park and another at CR colony lawrance road, Amritsar. In a composter machine process of natural conversion of organic materials by microorganisms into compost takes place which converts the waste into useful compost. All the bio food /food waste from canteen, guest house, parks/trees is being used to convert it into useful compost. The office utilised all the organic waste to compose organic khad maintaining self-sufficiency for the need of organic khad.
Project 2: Adopting a Government School, Attari

One Govt. School at Attari, Amritsar has been adopted for creating an awareness among the students and staff regarding sanitation practices like using toilets, handwashing, health and hygiene. The electricity connection was given in the bathrooms and new urinals were installed in the boys washrooms. Some of the old toilet seats were also replaced and then followed by white wash which renders cleanliness and better surroundings.
After taking into account various parameters such as completion status, impact potential & opportunity weightage, scalability, sustainability & participation weightage, work done in SHS, monthly reports and percentage of Swachhta fund utilised, for the year 2019-20, best CGST Zone, best Customs zone, best Directorate, best Commissionerates and Special mention were declared as follows-

1. Chennai Zone
2. Ahmedabad Customs
3. Delhi Customs (P)

1. Delhi Customs
2. Ahmedabad Customs
3. Delhi Customs (P)

1. DGARM

1. Visakhapatnam Customs
2. Aizawl CGST

1. Audit Vadodara Commissionerate
2. DGGI (Hqrs)
Project 1: Organic Waste Management

250 Kg capacity Organic Waste Composter Machine has been installed at Central Revenue Quarters, Anna Nagar to address the issue of waste management. Machine shreds the waste into small particles with very less electricity. Manure generated can be utilised in the trees and plants.
Project 2: Rainwater Harvesting Project

During the rainy season, the rain water used to drain out from the terrace of the building of Audit I Commissionerate. Therefore, the project was implemented so that rather allowing the rain water to run into drainage, it can be accumulated and stored for re-use and for recharging the ground water through bore well pits.
Project 1: Reclaiming of unused Space

By reclaiming unused space of dumped air cooling system, five rooms were made available for office staff in New Custom House. Considering work place ergonomics, the project has helped in fulfilling the objective of ‘Swachh Bharat’ by maximum utilisation of existing resources and infrastructure.
Project 2: Channelisation of waste water from Air-Conditioners

The project is related to the provision of proper drainage system for the water that was dripping from the water outlet of all the air conditioners. A pipeline has been installed with each air conditioner which has further been connected to the pipeline of the Rainwater Harvesting System.
Project 1: Solid Waste Management
An automatic waste composter machine was installed in Custom Colony Gopalpuri Gandhidham for efficient decomposition /processing of Solid waste.
Project 2: Adoption of Schools

The schools viz. Prathmik Shala, Anor, Tal. Amod; Kanya Shala, Dahej, Dist. Bharuch; Veer Bhagat Singh Primary School, Katargam and SMC School, Vesu were adopted for various Swachhta related activities like installation of Water Tanks, Water coolers and RO plants; 01 sanitary pad vending machine in Vesu; donation of dustbins, mops, brooms, chalk boxes, deep planters, cemented pots etc; delivering of Swachhta lectures by the Customs officers; distribution of “Swachhta Kits” in a woven bag with the logo of Customs among the students and teachers.
Project 1: Better Infrastructural facilities at Govt. primary school

The office adopted the said school and got the white wash and painting of the complete school building done. Rooms, bathrooms, kitchen, black boards, doors, windows etc. were white washed and well painted. Also art works on pillars and Swachhta slogans on the walls were done in elegant manner.
Project 2: Creation of Sanitation Infrastructure in Schools

Installation of sanitary napkin dispensers and sanitary napkin incinerators in various girls schools in Ludhiana viz. Govt. Girls Sr. Secondary School, Sahnewal, Govt. Girls Sr. Secondary School, Division no.3, and Govt. High School, Pawa, to promote good sanitation practices. Sanitary Napkins were also supplied to these Schools.
Project 1: Installation of Rainwater Harvesting System in Purv Madhyamik Vidhyalya Kanwani School, Gautam Budh Nagar, U.P.

To conserve rain water of roof top of school, a Rainwater Harvesting Plant having latest “V” Wire technology, has been installed in the school. The rooftop of school building was connected with pipes for tapping the rain water and injecting it into Rainwater Harvesting Pit and to further recharging the ground water source.
Project 2: Outreach activities in the Purv Madhyamik Vidhyalya Kanwani School, Gautam Budh Nagar, U.P.

DGARM provided 100 benches and desks to the school. All the 08 toilets in the school were repaired and white washed. Area near the toilets was also laid with interlocking cement tiles; Natural grass were grown to provide a small garden for the students; Water Purifier and a tank for storage of water for uninterrupted water supply was installed for provision of clean and safe drinking water for the students.
Project 1: Installation of Compost Machine

The Compost machine installed at CR quarters Dabagardens Vishakhapatnam breaks down the food waste, yard trimmings and other organics in the compost pile and helps turn the waste material into nutrient rich soil. It also helps in generation of funds in return by selling the generated organic fertilizer.
Project 2: Sewage Treatment Project

The water treatment plant installed in the Custom House has been connected with all the urinals and commodes of the toilets in Custom House Building and the water treated from this plant can be reused in toilets and for plantation purpose. This has helped in reduction of water bill of Custom House by 1/4\textsuperscript{th} and also helps in saving fresh water.
Project 1: Outreach activities at Govt. Schools, NGO Organisations

The office distributed RO water purifiers and dustins in the following Schools/NGO organisations:

Project 2: Adopted a Government School

Zuangtui High School, Aizawl has been adopted by the Aizawl Commissionerate and following works were undertaken:
1) Creation of Sanitation Infrastructure
2) Clean Habitation Clean Surrounding
3) Water Supply / Drinking Water Facility
4) Pollution Controlling System
5) Green and Clean Belt
Project: Disposal of E-Waste

Under the project, the hazardous e-waste which was completely obsolete and non-repairable in the office has been disposed/recycled.
Project: Installation of Solar Panel in school for Blind Inmates

The project is related to installation of Solar Panel in Akhil Bhartiya Netrahin Sangh (ABNS), an NGO, purely running with support of General Public’s donation and kinds. They requested to install a solar panel as they were getting a hefty electricity bill of around 35 kW every month and they were finding it very difficult to bear this heavy expenditure. The DGGI Hqrs. came forward for the help of the school.
Swachhta Cycling was done by the officers and staff on Jantar Mantar Road, along with a “Slow Cycle Competition”.
Officers went to World Wildlife Fund (WWF) office, Lodhi estate and procured saplings free of cost. The saplings were planted near Rajendra Place Metro Station and are being taken care of, on daily basis, w.r.t their watering needs etc.
A “Swachhta Quiz” was organised, the questions were based on Swachhta, Environment and Health.
“Shramdaan” activity was organised in Jheel Park, Prasad Nagar, where officers and staff cleaned the dirty areas of the park.
“Swachhta Nukkad Natak” was performed (near Police Booth, Rajendra Place Metro Station). Many spectators were made aware regarding importance of “Swachhta” through the Natak.
Universal sanitation coverage is a significant focus area of Swachh Bharat mission to make India open defecation free.

In line of the above vision, DGHRD Saket took initiative to procure 10 seater portable toilet through GEM under Swachhta Scheme and installed in four different locations in Delhi in MCD areas:

1. MCD Primary School, Idgah Road
2. Shanti Desai Sports Club, Chandni Chowk
3. Mahila Park, Gali No. 4, Prem Nagar
4. SLF site, Bhalaswa
Beautification of office premises done by DGHRD to provide clean working environment to the staff.
Central Board of Indirect Taxes and Customs (CBIC) has immensely contributed its share towards the “Swachh Bharat Mission” of the Government of India, through the “Swachhta Projects” undertaken by its field formations all across the country. For the year 2020-21, the “Swachhta Awards-CBIC” shall be announced by the Chairman, CBIC, after the end of financial year 2020-21, where, best GST Zone, best Customs Zone, best Directorate and best commissionerates shall be awarded with the Annual Swachhta trophy and a certificate.

For the financial year 2020-21, Swachhta Action Plan (SAP), duly approved by the Revenue Secretary, has been forwarded to all the field formations under CBIC.

Further, this year, CBIC has earmarked Rs. 60 crores for the budgetary head O.E. (Swachhta), which, the formations are utilising to implement their Swachhta Projects.

Central Board of Indirect Taxes and Customs is fully committed towards the cause of “Swachhta” and is showing significant contribution and the results achieved are remarkable as till now total 895 Swachhta Projects have been implemented by its field formations successfully.
## ANNEXURE

Best practices related to Swachhta activities on which fund from O.E. (Swachhta) can be utilised
